Either I

One year of experience in the California state service performing research duties in public utilities and/or transportation regulation at a level of responsibility equivalent to a Public Utilities Regulatory Analyst I, Range C. (Applicants who have completed six months of service performing the duties as specified above will be admitted to the examination but they must satisfactorily complete one year of this experience before they can be eligible for appointment.)

Or II

Three years of progressively responsible technical public utilities and/or transportation research experience in the areas of economics, finance or policy. (Experience in the California state service applied toward this pattern must include at least one year performing duties at a level of responsibility equivalent to a Public Utilities Regulatory Analyst I, Range C); **and**

Education: Equivalent to graduation from college with any major but with at least 24 semester units of upper division courses in economics, finance, public policy, or a closely related field. (Work experience performing technical economic, financial or policy research related to public utilities and transportation regulation may be substituted for the required education on a year-for-year basis.)

A Master's Degree or advancement to Ph.D. candidacy in Economics, Business Administration, Finance, Public Policy or other fields related to public utilities and transportation requiring 30 semester units or 45 quarter units for completion may be substituted for one year of the required Pattern II experience.

A Master's Degree or advancement to Ph.D. candidacy requiring 60 semester or 90 quarter units for completion, two different master's degree (each of which constitutes a full degree program), or a doctorate degree in the above field may be substituted for two years of the required Pattern II experience.

NOTE: THE APPLICATION INCLUDES A SUPPLEMENTAL QUESTIONNAIRE FOR WHICH APPLICANTS MUST IDENTIFY THE SPECIFIC COURSE WORK EMPHASIS IN ECONOMICS, FINANCE, PUBLIC POLICY, OR ENERGY POLICY. THE LISTING MUST INCLUDE THE UPPER DIVISION COURSE TITLE, THE NUMBER OF UNITS (SPECIFY SEMESTER OR QUARTER) EARNED FOR EACH COURSE, THE DATE COMPLETED, NAME OF COLLEGE OR UNIVERSITY, AND A BRIEF DESCRIPTION OF THE COURSE.

Veterans' preference credit will not be granted in this examination since it does not qualify as an entrance examination under the law.

GENERAL INFORMATION

Applications are available at the State Personnel Board office, local offices of the Employment Development Department, and in Human Resources of the California Public Utilities Commission.

If meeting the requirements stated above, you may take this competitive examination. Possession of the entrance requirements does not ensure a place on the eligible list. All candidates passing the examination will be ranked according to scores.

The California Public Utilities Commission reserves the right to revise the examination plan to better meet the needs and service of the Commission. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

Examination Locations: Examinations are typically scheduled in San Francisco. However, there are instances when examinations are given in such places in California as the number of candidates and conditions warrant.

General Qualifications: Candidates must possess essential personal qualifications including integrity, initiative, dependability, good judgment, and ability to work cooperatively with others; and a state of health consistent with the ability to perform the assigned duties of the class. A medical examination may be required.

Interview Scope: If an interview is conducted, in addition to the scope described on this bulletin, the panel may consider education, experience, personal development, personal traits, and fitness. In appraising experience, more weight will be given to the breadth of pertinent experience and evidence of the candidate's ability to accept and fulfill increasing responsibilities than to the length of the candidate's experience. Evaluation of a candidate's personal development will include consideration of own training needs; plans for self-development; and the progress the candidate has made towards self-development.

Veterans Preference: California law limits granting of veterans preference credits to open entrance examinations.
